

Electrifying

Aim:

Navigate through the maze from one star to the other.
You can start from and finish on either of the stars.

Introduction:

In this maze you can move on the white and on the black, but you can switch between them when you reach specific letters.

Rules:

1. Letter U – Go UP from the white to the black.
2. Letter D – Go DOWN from the black to the white.
3. Letter P – If you are on the white, it lets you PASS the black line and continue on the other side of the line. If you are on the black, continue moving passed it.
4. Letter S – If you are on the black you need to STOP and can't continue to the other side of the 'S'.
5. You are allowed to walk on the frame of the maze.

HINT: You can solve the maze from one direction only.
